

TIG CEO to present ‘Transforming the Workplace of the Future’ seminar at UC EXPO 2019

Cobham, Surrey: Tuesday 14th May 2019: Technological Innovations Group (TIG), the leading AV technology sales agency in EMEA, is pleased to announce that its CEO Robin van Meeuwen will be presenting the ‘Transforming the Workplace of the Future’ seminar at UC EXPO 2019. With over twenty five years of extensive experience within the Unified Communications (UC) technology market, Robin is a trusted and knowledgeable expert in harnessing dynamic technologies to maximise productivity and futureproof the workplace.

The seminar will examine why successful enterprises need to provide the best environments for their teams to do business, now and in the future. Attendees will get an insight into the importance of rich and sustained collaboration and technology solutions to encourage participation and transform team collaboration ensuring meetings are more productive and dynamic.

Robin van Meeuwen comments: “Teams empowered with proper digital collaboration tools work more creatively, execute more quickly, and make better real-time decisions – it makes total business sense!”

‘Transforming the Workplace of the Future’

Time: 11:40am – 12:10pm

Place: The Future of Work Theatre

About Technological Innovations Group (TIG)

Headed up by Robin van Meeuwen, Technological Innovations Group (TIG) has evolved out of Future Vision Marketing, which was founded in 1987 to distribute Crestron in Europe. The company works with brands at the forefront of leading-edge technology development.

With a hugely experienced leadership team and staff in locations across Europe, partnering with TIG gives organisations - whether in corporate AV, marine, education, residential and more – a real competitive edge over the competition.
