

TIG scores with 'Ultimate Meeting Room' Tour

Technological Innovations Group South Africa roadshow proves to be a huge success

Cobham, Surrey: 4th June 2019 – Technological Innovations Group (TIG) are pleased to announce that their 'Ultimate Meeting Room' roadshow that took place in South Africa over the past few weeks was a huge success. The roadshow took to Johannesburg, Durban and Cape Town throughout the month of May and was attended by over 150 dealers and end-users. The roadshow demonstrated how Crestron's Flex solutions and Mezzanine by Oblong Industries are able to work seamlessly together, creating the 'Ultimate Meeting Room'.

About Technological Innovations Group (TIG)

Headed up by Robin van Meeuwen, Technological Innovations Group (TIG) has evolved out of Future Vision Marketing, which was founded in 1987 to distribute Crestron in Europe. The company works with brands at the forefront of leading-edge technology development.

With a hugely experienced leadership team and staff in locations across Europe, partnering with TIG gives organisations - whether in corporate AV, marine, education, residential and more – a real competitive edge over the competition.
